

# SMART SOLUTIONS FOR PROFESSIONAL WELDING

The new special promotion packages from Lorch.

- The right solution package for your tasks
- Easy to use - Synergic 3 steps concept
- Perfect output - online monitoring by Lorch connect

MADE IN GERMANY

# YOUR VERSATILE PULSE MIG-MAG MACHINE

With SpeedPulse XT & TwinPulse XT

## S3 Mobile, SpeedPulse XT LorchConnect Edition

- SpeedPulse XT for extra speed and extra low spatter
- Very stable and smooth handling for manual operation
- Effortless welding over tack welds
- TIG like finish with TwinPulse XT
- Online monitoring of parameters through LorchConnect

Promotion price  
S3 mobile,  
Lorch Connect  
Edition

₹ 4,03,231

Lorch Connect Gateway

Lorch Connect Portal

### Scope of supply:

- Power source with compact wire feeder
- ML 3800, 3 m Torch
- Welding return cable 50 mm<sup>2</sup>, 4 m, plug, 13 mm
- Pressure reducer
- Autoprotect Helmet, RED by Lorch Flex 9-13
- MIG MAG glove PU 1
- Set up for Aluminium welding

# PERFECT MIG-MAG WELDING FOR THIN SHEETS AND STAINLESS STEEL

## MicorMIG 300 and 350 BasicPlus

- Synergic machine with automatic setting control
- Suitable for Steel, Stainless Steel and Aluminium
- Digital wire feed control
- NFC technology for quality control
- Arc Dynamic control for perfect result

Promotion price MicorMIG 300\*:  
₹ 2,26,106

Promotion price MicorMIG 350\*:  
₹ 2,40,185

\*Promotion prices for MicorMIG 300 BasicPlus and Micor MIG 350 BasicPlus.

## Scope of supply:

- Power source with compact wire feeder
- ML 3600, 4 m Torch
- Welding return cable 50 mm<sup>2</sup>, 4 m, plug, 13 mm
- Pressure reducer
- Autoprotect Helmet, RED by Lorch Flex 9-13
- MIG MAG glove PU 1
- NFC card for parameter locking facility

# YOUR RELIABLE MIG WELDER FOR DAILY PRODUCTION

## M-Pro 250 and 300 ControlPro HD

- Synergic machine with automatic setting control
- Suitable for SS, Steel & Aluminium
- Digital wire feed control
- In-built cylinder trolley with chain

Promotion price M-Pro 250\*:  
**₹ 1,28,052**

Promotion price M-Pro 300\*:  
**₹ 1,43,717**

\*Promotion prices for M-Pro 250 ControlPro and M-Pro 300 ControlPro HD.

### Scope of supply:

- Power source with compact wire feeder
- ML 2400, 3m Torch
- Welding return cable 50 mm<sup>2</sup>, 4 m, plug, 13 mm
- Pressure reducer
- Autoprotect Helmet, RED by Lorch Flex 9-13
- MIG MAG glove PU 1

# HEAVY DUTY TIG WELDING FOR PROFESSIONALS

## V 24 DC and V 30 AC/DC water-cooled

- Powerful ignition and arc stability
- Pulse function up to 20 KHz
- In-built water-cooling unit
- Current control from the torch
- Reliable Aluminium welding with AC/DC version

Promotion price V 24 DC\*:  
**₹ 3,50,787**

Promotion price V 30 AC/DC\*:  
**₹ 5,20,656**

\*Promotion prices for V 24 DC water-cooled and V 30 AC/DC water-cooled.

### Scope of supply:

- Power source with mains cable
- WWT 45 SC-UD, 4 m Torch
- Welding return cable 70 mm<sup>2</sup>, 4 m, plug, 13 mm
- Pressure reducer
- Autoprotect Helmet, RED by Lorch Flex 9-13
- TIG glove PU 1

**LORCH**

# YOUR TIG WELDER WHEREVER YOU GO

With MicorBoost Technology

## Micor TIG 200 DC BasicPlus and ControlPro

- Powerful ignition and great arc stability
- Pulse function up to 5 KHz for thin sheet welding
- First full function TIG inverter with HF ignition, running on battery power
- Memory with 10 jobs in ControlPro version
- Also works on Battery

BasicPlus control panel

ControlPro control panel

\*Promotion prices for MicorTIG 200 BasicPlus and MicorTIG 200 ControlPro.

### Scope of supply:

- Power source with mains cable
- LTG 2600, 4 m Torch
- Welding return cable 50 mm<sup>2</sup>, 4 m, plug, 13 mm
- Pressure reducer
- Autoprotect Helmet, RED by Lorch Flex 9-13
- TIG glove PU 1

# HIGHLY EFFICIENT ELECTRODE WELDING

High efficiency and low energy consumption thanks to state of the art MicorBoost power electronics

## MicorStick 160 A VRD

- Powerful ignition and arc stability
- Automatic power saving mode
- Smooth welding even for 7018 & 6010, cellulosic electrode series
- Works with battery pack – Lorch MobilePower

## X 350 BasicPlus VRD

- High power reserve for smooth operation
- Up to 6 mm electrode welding without any problem
- IP 34 protection class for allround
- protection against rain – ideal for site work
- TIG with ContacTIG

Promotion  
price MicorStick 160\*:  
₹ 43,971

Promotion price  
X 350\*:  
₹ 1,59,395

\*Promotion prices for MicorStick 160 VRD and X 350 BasicPlus VRD..

## Scope of supply:

- Power source with mains cable
- Electrode welding cable 4 m electrode holder and plug, 13 mm
- Welding return cable , 4 m, plug, 13 mm
